

An aerial photograph of Miami, Florida, showing a mix of urban development and waterfront recreation. In the foreground, there's a large, multi-story building with a flat roof and several air conditioning units. To the left, a large Ferris wheel is visible near a marina with several boats. The middle ground is dominated by a wide, green park area with many palm trees and a few modern buildings. In the background, the city skyline features several tall, modern skyscrapers. The water is a vibrant blue, and the sky is clear and bright.
